

Chester

It is with sadness that we announce the passing of

Sir Chester Tobias Mahoney

December 28, 2001 - November 13, 2020

Chester was a loyal and faithful four-legged friend who tried, and usually did, win over the love of others.

To only be 20 pounds, he had a resounding and resonating bark like none other.

For 18 almost 19 years, Chester filled our home with adventure, and it was sometimes hard to decide between laughing or fuming at some of his antics.

**Chester found companionship with Carly and together they had 6 puppies -
Chauncey, Charisma, Connor, Chloe, Chadwick, and Carlton**

Chester was greatly loved, and he will be greatly missed.
